30. Congress of the German Educational Research Association (GERA) 22nd - 25th March, 2026, Munich

Template for the encasing abstract for the congress

## formats

- Symposium
- Work group
- Research and topic forum

## Procedure

Please state the title of your event (see next page).

Please explain your cross-contribution concept and the common content of your submitted symposium, your work group or your research and topic forum in a maximum of 4,000 characters (including spaces). It is NOT necessary to anonymize your data. The assessment of the encasing abstract by the reviewers is included in the evaluation.

After editing, please save the document as a PDF and upload it to ConfTool.

For the abstracts of the individual contributions and all other information - including the bibliography - please use the fields provided in the ConfTool system.
